Group Exercise - Class Descriptions

Body Sculpt: a total body muscle endurance and strengthening workout using a combination of hand-held weights and elastic resistance.

Cardio Sculpt: A cardio and strength workout utilizing the step platform and weights.

Chair Yoga: a blend of strength, balance and yoga patterns done with the assistance the Resistance Chair.

Cycle: A fun foundational stationary cycle workout designed to develop a strong base of cardio endurance and cycling technique *appropriate for all level riders.

Dance Fusion: fun blend of pop, Latin and hip-hop style dance routines finishing with a dynamic body stretch. All levels welcome!

Flex & Flow: A fluid strength and mobility format that utilizes weights, bands, barre exercise, core and flexibility training for the ultimate muscle conditioning workout.

HIIT Circuit: a step class that uses 'HIIT' style interval and circuit training techniques to enhance metabolism, calorie burn and strength results.

Low Impact with light weights: a cardio workout blending low impact, kickboxing and sculpting with light hand-held resistance.

Move & Groove: Release stress through dynamic stretch movements designed to build core strength while groovin to great fun music. All movements are uniquely designed for fun, while enhancing your ability to move freely, release stress, increase flexibility and build endurance. All levels are welcome.

NIA Dance Workout: a fun fluid, blend of modern dance, martial arts and low impact cardio patterns.

Pilates Fusion: a Pilates floor style workout focused on improving posture, core strength and muscle balance along with lengthening and strengthening yoga patterns.

Restorative Yoga: a gentle blend of yoga postures and restorative breathing technique

Senior Fit: A blend of seated and standing strength, endurance and balance exercises design to address senior fitness needs done with the assistance of the Resistance Chair.

Step Fit: A cardio workout utilizing the step platform followed by body conditioning exercises.

Super Circuit: A fun and challenging circuit format including strength, cardio, core and more.

Wake UP workout: start with a little Energizer cardio work your way into some strength and finish off with some core /stretch!

Yoga Flow: Hatha & Raja techniques emphasizing muscle strength, flexibility, posture and breathing.

*Bring your own exercise mat for any class that includes floor-based exercises (i.e. Yoga, Pilates, Body Sculpt)
